

# Directions to MSC from Suitland Metro Station

Take the Green Line to the Suitland Station. Exit the station, follow the path to Silver Hill Road and turn right (west). Follow the sidewalk across the entrance and exit ramps to Suitland Parkway. The Museum Support Center is the second large building complex on the righthand side of the street, behind a black wrought iron fence. Ask the guard at the entrance to the complex to direct you to the Museum Support Center. The entire walk from Metro to MSC is about 10-15 minutes. You must present a photo ID to enter the Museum Support Center.
